

## The Lollipop Trio

*The Lollipop Trio* is an ensemble of three clarinet players, all of whom are members of the Rome Concert Band. The Lollipop Trio musicians are: Kristin Kelly Hahn and Colleen O'Neil, clarinets; and Christine Labuszewski, bass clarinet. All are professional musicians who live, teach and perform in Rome, Utica, and surrounding communities.

*The Lollipop Trio* specializes in concerts for young children as part of the Rome Concert Band's outreach program. Concerts are designed to serve as introductions to the world of live music. These fast-paced musical performances encourage children and their caregivers to clap, sing and move to music. All concerts conclude with the group's signature lollipop ending.
